

No. FSC/OM/SUGAR/TEANDER/04/2014-15

Office of the Commissioner,
(Chief Accounts Officer Wing),
Food Civil Supplies and
Consumer Affairs Department
Cunningham Road,
Bangalore Dt: 20.08.2014.

OFFICIAL MEMORANDUM

Sub: Quality analysis of Sugar at Factory /Godown by
NABL accredited testing laboratories.

With respect to the Assayers Quality analysis of the Sugar at Ex- Factory / Godown the following instructions have to be followed.

The Quality checking at the Factory/ Godown of the Sugar shall be carried out by the suppliers and as per tender the charges shall be paid by them only. It is directed to get the Quality Certificates from any of the 11 NABL accredited testing laboratories (List enclosed). The certificates should satisfy the quality as specified in the Tender Document.

The Quality check of the Sugar at the Taluk Godown shall be carried out by the respective wholesale nominees. The wholesale nominees may fix the charges lower than the ceiling price of Rs. 2200+12.36 % service tax per 2500 Qtls (including sampling and testing charge) from any of the NABL accredited labs as per prescribed procedure. The wholesale nominees are directed to keep the quality certificate with them and to produce to the inspecting authority as and when required time. They shall ensure that the sampling is done before the deputy director (food) or his representatives viz., Assistant Director or food inspector. The Deputy Director or his representatives will also be responsible for ensuring that only the quality certified stocks are released to PDS. The above order shall be scrupulously observed.
